Nobody here can help you or even suggest how you can get your ex or love back.any testimonies of most spell casters here must be ignored, because most of them are scam i mean real scam which i was a victim of and i got ripped of thousands of dollars because i was so anxious to get my husband back after he left me for over a year with my little daughter. I have applied to 7 different spell casters here and all to no avail they all ask for same thing like, SEND YOUR NAME, YOUR EX-LOVE NAME, ADDRESS, PICTURE and PHONE NUMBER, Which i did over and over again and most of them were from west Africa until i saw a post about Dr Alabi and i decided to give him my last try. He asked me to send JUST MY REAL NAME and PICTURE. He immediately told me the names of my relatives. I was shocked, it was as if he knew me before and he said my ex will come back to me in 3days, i was thinking about how much i have lost so far, so i said let what he asked me to do. He told me to wait till next 3 days and i couldnt sleep those night because i really love my husband and wanted him back. At 8pm the third day i saw my husband on line on facebook and he said HI, at first i was shocked because he has never spoken with me for the past year. I did not reply, again he said are you there? i quickly reply YES and he asked if we can see the next day, i said yes and he went off-line. I was confused i try to chat him up again but he was no longer on line. By 7am the next morning he gave me a miss call, i decided not to call back as i was still on shock again he called and i answered, he said can we see after work today i said YES, he ended the call. Immediately i got off work he called me and we met and now we are back again. I called Dr Alabi the next day thanking him for what he has done. Infact till today, i still call him and thank him as my life was not complete without my husband. Please be careful here for i have been scammed thousands of dollars.
